CONTINUING MEDICAL EDUCATION

The Civil Aerospace Medical Institute is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians

This Live activity, Aviation Medical Examiner Refresher Training, from 02/2018 – 12/2018, has been submitted and is pending approval for up to 17.50 Prescribed credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This program has been submitted and is pending approval for up to 19.25 credits of Category 1-A by the American Osteopathic Association.

The Civil Aerospace Medical Institute designates this activity for a maximum of 19.25 AMA PRA Category 1 Credits™, pending approval. Physicians should only claim credit commensurate with the extent of their participation in the activity.

This CME activity was developed by the Aerospace Medical Education Division of the FAA Civil Aerospace Medical Institute using only congressionally appropriated funds, and without any type of commercial sponsorship (monetary or in kind).

All speakers participating in this CME activity are required to disclose to the audience any significant financial interest or other relationship they may have with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial medical services discussed in their educational presentations. Significant financial interests or other relationships can include (but are not limited to) being an employee, consultant, representative, stockholder, or receiving grants or research support from such a commercial company. The intent of this disclosure is to provide the audience with information to enable them to determine whether the speaker's interests or relationships may influence the presentation with regard to exposition or conclusion. The Aerospace Medical Education Division will not accept commercial support of any educational program.

It is the policy of the Aerospace Medical Education Division that the speaker discloses to the audience, if a product is not labeled for the use under discussion or that a product is still investigational.

Future AsMA Annual Scientific Meetings
