For United States Federal Income Tax purposes, you can deduct as a charitable contribution the price of the membership renewal less the estimated cost of your *Aerospace Medicine and Human Performance* journal subscription. We estimate the cost to produce the journal to be \$100 per year. Any membership contribution in excess of \$100 per year is tax deductible.

For Non-U.S. members, the entire membership fee is related to the activities of the Aerospace Medical Association to improve the professional knowledge and practice of its members. This includes subscription to the Association's professional journal, itself part of the education effort of the Association.
